📇 PROFILE

I am a seasoned web developer with over 4.5 years of professional experience, specializing in frontend development. My expertise encompasses a wide array of web technologies, including HTML5, CSS3, JavaScript, jQuery, React JS, and TypeScript. I have a proven track record of delivering high-quality, responsive, and user-friendly web applications. My experience includes working on high-profile projects such as those for Walmart, where I honed my skills in developing scalable and efficient frontend solutions.
